# **Welcome to The Farm!**

The Farm, started in 1974, consists of a dairy, a small free-range poultry, stables with horses, organic vegetable gardens, fields and plantations. We run a restaurant and a farm shop in the midst of this integrated farm.

It is always a pleasure to have children visit us and enjoy the space. We have hosted many birthday parties at the farm over the years. Our Birthday package offers the opportunity for children to experience a bit of Life on the Udder Side, as we like to call it! Wide, open spaces, the chance to experience our garden and make their own pizza – all of these activities make for a truly unique farm experience.

# Birthday Package

The wood-fired ovens occupy pride of place in our restaurant. Over the years we have developed a unique way of making Pizza - fresh dough, slow-cooked sauce, a whole range of toppings and fresh Mozzarella that we make right here on The Farm using milk from our Dairy. *Make Your Own Pizza* is a really fun activity for the kids to participate in.
